Hi Lee,

Sounds good! I took a look quickly on Friday and thought it looked good, but will give it a more careful read today. Still no papers from OW for the Tuesday FCR meeting and Weds ID HHC meetings right? I'm guessing Erica, Corey, and Sarah are all getting caught up today.

I did send to David on Friday and have not heard back from him. I read our document again over the weekend and think it is good shape. So I am now waiting to hear from David whether the document has the right shape and gives Matt the info he wants/needs.

Not sure if anyone has reviewed the text I drafted. If you have a chance to review, I would appreciate it.

Hi Lee,

I was able to resolve my technical difficulties on Friday, and it looks like my comments made it in. Did you end up sending to David on Friday?

Thanks!

Lauren, I don't think I can see your additions.

I added some bullets on Idaho. I'll be on a call and out of the document for the next hour if someone wants to take a look.

Sounds good! I added some additional ID/WA info to the Maine letter implications section, but am realizing that my Sharepoint doesn't seem to be syncing. Can you let me know if you can see the changes in the implications section? There should be bullets on WA and ID.

Sure, no problem. I'm on a call now and have a meeting at 1:00, but I'll try to have them added by 6ish your time.

I think it's a good idea. This is essentially a variation on briefing documents we've provided David in the past. And I think the paper is in good shape.

I am interesting in getting David's reaction on whether the approach we are taking will work for Matt. If David has suggestions for adding/revising, I would like to know so while we have time to make revisions. If folks prefer, we can wait until Monday.
